

Product Highlights

- The SL162 is characterized as a High Intensity Spot/Coaxial Light and is designed primarily to replace fiber optic light sources in coaxial lensing applications.
- Optional couplers are available for use with Dolan-Jenner, Fostec, and Moritex fiber bundles.

General Specifications

	Color	24V Current	All Other Controls
Electrical Specifications	WHI	0.09 A	0.23 A Max
	405, 455, 470, 505, 530, 590, 625, 660	0.16 A	0.25 A Max
	365, 375, 385, 395	0.06 A	0.08 A Max
	730, 850, 940	0.14 A	0.10 A Max
Normal Operating Temperature	0 - 60°C		
Weight	85.1g (3.0oz)		
Standard Cable Information	Up to 2 meters (80") long - 105°C rated PVC jacket, foil shield with drain.		
Photobiological Risk Factor	Exempt Applicable Wavelengths: 850, 940 Group 1 (Low-Risk) Applicable Wavelengths: 455, 470, 505, 530, 590, 625, 660, 730, WHI Group 2 (Moderate-Risk) Applicable Wavelengths: 365, 375, 385, 395, 405		
Compliance	CE, RoHS, IEC 62471		
IP Rating	IP50		

Lumen Maintenance

L70 = 50,000 Hours

Change Notice

PCN No: 128

Date Issued: June 15, 2016

Notice Type: Product Revision Change

Product Type: SL162

Change Notification Summary

In an effort to improve our products, Advanced illumination (Ai) will update the LEDs used in the SL162 design. This change will result in a brighter, more uniform light at the same price*. Customers may still buy the current revision of this model until July 15th of 2016. After that time, orders for these products will be converted to their respective SL162 Revision A models.

This LED change will result in additional wavelengths being available: 365nm, 375nm, 385nm, 395nm, 405nm, 455nm, 470nm, 505nm, 530nm, 590nm, 625nm, 660nm, 730nm, 850nm and 940nm. Additionally the white LED color temperature will be changing from 6100K to 5500K.

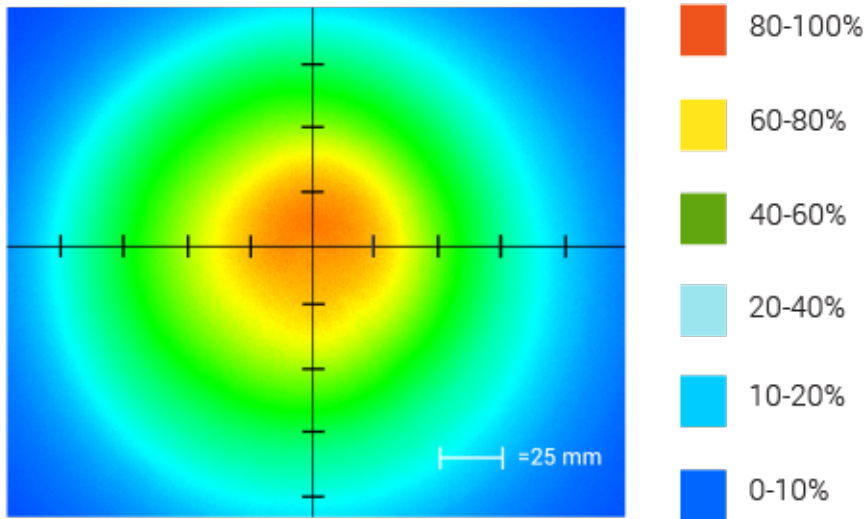

*UV wavelengths (365nm, 375nm, 385nm, 395nm & 405nm) will be sold a higher list price, which will be released at the time of product introduction.

Orders for customized (dash numbers) versions of SL162 will be honored until December 16th of 2016. Ai will be actively working with customers for those products to simplify the transition.

Please contact your Ai Sales Representative if you have any questions.

Warranty Information

Every Advanced illumination, Inc. (Ai) product is thoroughly inspected and tested before leaving the factory. Products are warranted to be free of defects in workmanship and materials for a period of FIVE YEARS from the original date of purchase. Should a defect develop during this period, customers may return the complete product, freight prepaid, to one of Ai's distributors or to the Ai factory. All product warranty returns require a Return Merchandise Authorization (RMA) number which is obtained from Customer Service. The RMA number must be clearly marked on the outside of the package. Ai will inspect the unit, and if a defect is found will, at our option, repair or replace the product without charge. Ai disclaims liability for any implied warranties, including implied warranties of "merchantability" and "fitness for a specific purpose." For products under warranty that have since been discontinued, Ai will make an effort to replace with equivalent parts; for circumstances that do not allow for equivalent replacement, Ai reserves the right to repair or replace these products with an updated version. Ai cannot be held responsible for the unauthorized or inappropriate use of its products. Any unauthorized repair or modifications will result in a voided warranty.

No Liability for Consequential Damages: In no event shall Ai be liable for any consequential, special, incidental, or indirect damages of any kind arising from the sale or use of the products.

Electromagnetic Compatibility

This product was tested and complies with the regulatory requirements and limits for electromagnetic compatibility (EMC) as stated in the product specifications. These requirements and limits are designed to provide reasonable protection against harmful interference only when the product is operated in its intended industrial electromagnetic environment. To minimize the potential for electromagnetic interference or unacceptable performance degradation, install and use this product in strict accordance with the instructions in the product documentation.

Customer Service

For information on existing orders, or to make an order adjustment, contact us Monday through Friday 8:00 am to 5:00 pm ET or send an email to orders@advancedillumination.com.
