

PRODUCT CHANGE NOTIFICATION

Ai PCN No: 173

Date Issued: July 22, 2024
Notice Type: Product Discontinuation
Product Type: BX, CX and FX

Change Notification Summary

Advanced Illumination (Ai) will be discontinuing the sale of BXXXYY, CXXXYY and FXXXYY Backlights on October 31, 2024, and will be recommending the new BX2 Series to replace BX and CX, and FX2 as a replacement for the FX. The BX2 and FX2 Series provides an improvement in light output, structural rigidity, emitting window uniformity, and efficiency, at no additional cost over the original BX, CX and FX designs. In addition the measurement system will be changing from imperial to metric, so a BX0404 will be replaced with BX2-100100.

Please contact your Ai Sales Representative if you have any questions.
